For the first time since August 2012, we have been at a cat show again, the first time without my soulmate Lenja... a quite emotional moment.

The Felikat show at Nieuw-Vennep was a well organized, big show with more than 400 cats and a lot of friends. We had a nice day... and a quite successful too.

[Titran's Winnetou](#) got his last CACIB and is now International Champion, which entitles his father [EC PL* Wiedzmin Karodok](#) to now wear the title of Distinguished Merit, he also got a NOM to the special 10-24 months.

His lovely daughter, [Titran's Leonora](#), attended her first show ever, got Ex1 and the BIV total of group 5. [GIC Elliasz des FriggOdin](#) got CACS certificate as well as the BIV adult of group 8, while [GIC Titran's Suzette](#) got also her CACS point.

[Roomba alias Titran's Q-Blâ Djevel](#) got his first CAC, was NOM for the special 10-24 months and lost BIV & NOM ... to our winner of the day : [SC Titran's Telemachos DVM](#): HP BIV group 1 NOM &.... Best in Show adult male with all 6 votes !
