Finally spring is there!

It was about time but now the first litters of 2013 have been born: the tandem of NL*Titran's Olga Knipper & SC S* Rockringen's JJF DSM & DVM have already found their new loving homes while you can discover the litter of NL*Linn of Savita Star x IC NL*Titran's Q-Blå Djevel as well as the one of B*Eyop's Going On & D*Valentino av Härjedalen on the [current litters page](#). Those are the first kittens of our two young boys and I must say we are very happy with the results which matches our expectations.

After almost half a year without newborns, it's great to have again these lovely little bunches crawling around all over the house and giving us so much pleasure and fun. Pictures can be found here, on Facebook as well as on our flickr site.

Luckily our four legged friends Juno & Xeraphon have found some weeks ago a new home where they can get old together. We are very happy about this!

Latest showbrag:

After his Best in shows won in Nieuw-Vennep, Schiedam & Tienen our black bear SCNL* Titran's Telemachos DSM & DVM did even better on the big Eastern show of Mundikat in Apeldoorn: on both days he won BIV, was nominated, won Best in Show & the cherry on our cake were his two Best of Best #1! Some others of our cats did also very well too and new titles have been granted as follows: F*Elliasz des FriggOdin is now Supreme Champion, NL*Titran's Winnetou Grand International Champion, NL*Titran's lanthe Isolde & IC NL*Titran's Q-Blå Djevel both are now International Champions while NL*Titran's Leonora got her Champion's title.
