We are looking right now for a permanent & loving new home for beautiful Callista. Due to difficult circumstances, her first owner had to take the decision to let go Callista. So she came back to her place of birth.

She is a daughter of Lenja & Nero, 4.5 year old, perfectly healthy neutered female. She's very close to humans, likes children and will be happy to share her new life with 1 or 2 cats. Here in the cattery, she feels it is slightly too hectic for her to be really happy.

Here you can find many pictures of lovely Callista. We would be very happy if you could give this wonderful cat a happy future and new home. She really deserves it!
